Tuesday, February 5, 3 - 5 p.m.
Multi-Faith Chaplaincy, 2090 Mackay

A workshop series for students interested in exploring inter-faith dialogue and learning new ways to share their faith with others.

Join us to reflect on the ways in which faith resonates with our habits, values and interests, and how it might be similar or different for our peers. We'll talk about the power of personal stories as a way of sharing faith with our peers and creating Meaning for others. Come check it out!
